CINTAS CORPORATION,)

Defendant.)	Complaint filed January 20, 2004

Pursuant to Local Rule 6-2, the parties respectfully request that the Court allow a one-day extension and revise the dates for the parties to file their ADR Certification so that it may be filed on Monday, May 9, 2005 instead of Friday, May 6, 2005.

Reasons for the requested extension of time.

The parties have agreed to ADR using a private mediator. We are gathering but have not yet received signatures from all the plaintiffs on the required ADR certification form. We expect to have those signatures by Monday, May 9, and will be able to file the form then. We have notified the ADR Unit.

Previous time modifications.

The following are the previous time modifications in the case:

05/13/04	Stipulation and order changing case management conference and related dates
08/05/04	Stipulation and order changing dates re: briefing schedule for defendant's motions to (1) transfer venue or dismiss non-California plaintiffs; and (2) dismiss arbitration plaintiffs or stay and compel arbitration
09/01/04	Stipulation and order continuing case management conference and related dates
10/29/04	Stipulation and order to (1) narrow second amended complaint; (2) address issues raised in defendant's venue motion; (3) revise briefing schedule for defendant's arbitration motion; (4) continue case management conference dates; and (5) permit filing of third amended complaint
02/18/05	Stipulation and order to extend time to engage in settlement discussions regarding plaintiffs Beasley and Severson
04/08/05	Stipulation and order to reset case management conference and related dates

1 Effect on schedule.

2 Allowing the requested extension of time would have no effect on the schedule for the
3 case.
